EC CERTIFICATE OF CONFORMITY

č. 1020 – CPD – 090-029805

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product:

Sika AnchorFix-2 Normal
Sika AnchorFix-2 Arctic
Sika AnchorFix-2 Tropical

Bonded injection type anchor made of steel elements for non cracked concrete
– steel threaded rods: sizes M8, M10, M12, M16, M20, M24, M27 and M30
or rebars sizes Ø8 to Ø32

placed on the market by:

Sika Service AG

Address: Tüffenwies 16
CH-8048 Zürich, Switzerland

and produced in the factory:

Sika Service AG

Address: Usine Sika Construction No 503 44 08

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No.

1020 - Technical and Test Institute for Construction Prague

has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in ETA

ETA-13/0719, valid from 12.06.2013 to 01.05.2018

were applied and that the product fulfils all the prescribed requirements. For detailed information in relation to the performance characteristics of the product(s), the ETA itself, mentioned above, should be consulted.

This certificate was first issued on 20th June 2013 and remains valid until the date of expiry of the ETA as long as the conditions laid down in the ETA in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

The stamp of the Notified Body 1020

Prague, 20th June 2013
